

Dear Hiring Manager,

I am writing to express my interest in part-time or internship opportunities in Berlin, where I can apply my skills and gain practical experience alongside my studies. I am currently pursuing an MS in Data Science, AI, and Digital Business at GISMA University of Applied Sciences in Potsdam, and I am eager to contribute my enthusiasm, adaptability, and strong work ethic.

Through my academic and prior experiences, I have developed solid organizational and time management skills, along with the ability to work both independently and in a team. I am confident that I can bring value to your organization while continuing to grow professionally.

Thank you for considering my application. I look forward to the opportunity to support your team and contribute meaningfully.

Sincerely,

Lijo Chacko
